Tigers, this month we're learning about INITIATIVE!

Initiative means doing the right thing without being told.

♥ How Do I Show Initiative?

👉 With Others:

- I start cleaning up without being asked
- I raise my hand when I know the answer
- I help a friend who looks confused
- I listen the first time

👉 With Yourself

- I put on my shoes or belt by myself
- I try a kick or punch even if it feels hard
- I clean up my toys when I'm done
- I try again if something feels tricky

When you show initiative, you grow stronger, you become a leader, and a true martial artist. Initiative means you take action before someone reminds you. ✨
