Tigers, this month we're learning about TEAMWORK!

Teamwork means working together and helping each other. It means being kind, taking turns, and doing your part.

♥ How Do I Show Teamwork?

👉 With Others:

- I take turns
- I cheer for my teammates
- I help a friend who needs help
- I listen when someone else is talking

👉 In Class:

- I line up quietly with my team
- I follow directions the first time
- I encourage my partner during drills
- I help clean up when class is over

★ Why Teamwork Matters

- ✓ You make good friends
- ✓ You become a strong leader
- ✓ You help your team succeed
- ✓ You become a true martial artist

When we work together, everyone gets better!
